CIRCULAR

With reference to the application received through this Institute's website for admission into first year B.Tech (HTT) and 2nd Year (Lateral Entry), the candidates are directed to report physically on 09-10-2023 at 10:00 AM for document verification and counselling at IIHT, Varanasi. In the event of getting admission for the B.Tech program, they are required to pay requisite fee online immediately. Since the admission will be closed on the same day, the candidates who don't make payment on this day will not be offered admission. After confirmation of admission, students shall report for SIP classes and Pre-Registration on the same day 09.10.2023. Pre-Registration charges are applicable as per University norms.

While appearing for the counselling the candidates are required to show all the original documents for verification. Without these documents candidates will not be permitted to appear for the counselling.

The candidates are further directed to watch the website www.iihtvaranasi.edu.in regularly for information.
